ASK A LAWYER

Is it permissible for a physician to disclose patient records to data collection companies? 23
When is it permissible for a physician to accept a gift from the industry? 23
What is required for a patient to request the withholding or withdrawal of life sustaining treatment? 39
How do I know when the Declaration will become operative? 39
Is there any way a patient can revoke his/her Declaration? 39
Is the "Rights of the Terminally Ill Act" the only means for people to exercise their rights in this area? 40
If a physician or other health care provider is concerned that he/she might have been infected with an infectious disease through contact with a patient, can the health care provider conduct a test of the patient's body fluid to determine the validity of that fear? 98
How can the health care provider obtain a sample of the patient's blood or other bodily fluids if the patient refuses to grant consent, or if the next of kin or legal guardian refuses to grant consent? 98
Are there any other steps that a health care provider must take if a sample of the patient's blood or bodily fluid is tested without consent? 98
Under this statute, what can the patient's blood or bodily fluid be tested for? 98
What does "significant exposure" mean under this statute? 98
What is the American Medical Association's position with respect to contingent physician fees and fee splitting? 122
When a physician has been subpoenaed for medical records and there is no patient release on file, may records regarding HIV test results be surrendered? 152
